Definitely not your average dog show!

German Shepherd Dogs of all ages will show off both their **BEAUTY AND BRAINS** with a dog show and obedience competition marking the 50th Anniversary of the German Shepherd Dog Council of Australia.

Experience the **atmosphere and excitement** as 500 German Shepherds and Shepherd enthusiasts from all states of Australia and New Zealand vie for the top awards and the **ULTIMATE COVETED GOLD MEDAL!**

Two German Judges who specialize in this breed will select the “cream” of our Australian German Shepherds in various age groups. Adjudicating in the spectacular German style, they will be looking for the best qualities of the breed – temperament, structure, movement, endurance and fitness. Their decisions will be explained to the audience at the conclusion of each class – giving a great insight.

Cheer on your favourite dog as he/she and the handler try to impress the Judges until one emerges as the hero of the day and makes its way to the top of the rankings.

As German Shepherd Dogs are one of the most versatile breeds, being used as working dogs for police, military, customs, state rescue, care assistance and seeing-eye dogs, expect some serious competition in the obedience rings on Saturday - retrieving, scent discrimination and the dogs and handlers working as a team.

Watch for Police Dog "Salem" with Snr. Const. Wayne Gatt receiving The German Shepherd Dog Council of Australia OUSTANDING CANINE SERVICE AWARD.
