

Instructions to reach Nambrok

Nambrok is on the Princes Highway. Coming from Melbourne it is on the left.

You travel **EAST from Melbourne**. After a couple of hours you go through **TRARALGON**.

Approximately 15-20minutes later you go through the small town of **ROSEDALE**.

Nambrok is 5-6 kilometres east of Rosedale. **After a couple of kilometers travel the left hand lane will split into two while the lane for travelling back to Melbourne stays single**. The property is now on your left. You may see Hereford cattle.

On the right there will be a very noticeable blue weatherboard house.

As the lanes join you are going up a rise. The entrance is here on the top set back from the highway. You see it only as you come onto it. There is a big brown tourist sign which is right at the gate.

You will see a sign at the gate which says Nambrok.

You will drive approximately 600 metres to reach the house/trialing area.

You know you are wrong:

- If you leave the Princes Highway.
- If you reach the Maffra turnoff
- If you reach Sale!!!!
