59cm. An above medium size medium strong, very well coloured, strongly pigmented typey expressive bitch. She should stand a little more correct when viewed from the front. Good breadth of skull, good ear size and set. Ideally the neck should be slightly longer, high withers, firm straight back, very good croup, the upper arm should be a little longer, very good hind angulation. Balanced fore and underchest development. Stepping correct behind with good hock firmness, stepping correct in front. She has a slightly

high stepping fore action. During movement she shows a powerful drive with very good forehand reach transmitted through a firm back. Her movement is effective and enduring.

GRADING: Good

62 cm bitch. An oversized bitch, with very strong colour and very strong pigmentation, she should be a bit more expressive, good eye colour. Good withers, the back should be firmer, short steep croup. Good hind angulation. The upper arm is short, good length of foreleg, slightly short underchest. Stands correct when viewed from the front. Steps correct behind, steps correct in front, the elbows should be tighter. During movement the drive and the reach are a little restricted. She would have received a very good grading had she been within size.

Good reach of neck, high withers, firm straight back, the croup is of a good length but set slightly steep, high set tail. The upper arm should be a little longer and better laid, very good hind angulation, very good length of foreleg, the pasterns should be a little firmer. Stepping correct behind, the hocks should be a little firmer, moves wide in front, the elbows should be a little tighter. During movement shows very good drive and reach, the movement is balanced and free and the back remains firm.
- 2 140 **KHANIQUE GRACIE** 20/10/13 (*Toby vd Plassenburg a ED x *Volscain Questa AZ) 2100393159 Brd/Ex. C. Booth
60 cm A large and very excitable bitch of good type. An expressive bitch where the planes of the skull and foreface are out of alignment and create a dish faced appearance. Good reach of neck, high withers, straight back, slightly flat and slightly short croup. Slightly short upper arm, good hind angulation, good fore and slightly short underchest. Very good length of foreleg. Stepping behind the hocks should be firmer. In the individual assessment she was totally out of control but settled once she had a few laps of the ring. During movement and after she settled down she shows very good drive and reach through a firm back.
- 3 125 **BABENBURG LA BELLA** 19/07/13 (*Vimo vd Hopfenhalle a ED x *Charon v Overledingerland a ED) 5100076714 Brd. Babenburg Knls. Exh. T. Schoemaker
59cm. Above medium size, medium strong, typey bitch who stands correct in front. Good head and expression, good ear size and set. The neck should be ideally a little longer, high withers, firm straight back, slightly steep but good length of croup. Very good fore and hind angulation, good fore and slightly short underchest. Stepping correct in front, the hocks should be firmer, stepping a little wide in front. During movement shows very good drive and reach through a firm back.

60 cm. A large bitch who is just under medium bone strength and who should be more substantial relative to her size. The eyes should be darker. She stands correct when viewed from the front. The stop should be more defined. Slightly upright neck carriage, good wither firm back, slightly steep croup that should be longer, short steep upper arm and deep hind angulation. Very good length of foreleg, she should show more pronounced forechest and is slightly short in underchest. Stepping a little wide behind, stepping correct in front, the elbows should be a little tighter. She should be more stable in the hindquarter during movement and the back should remain firmer.
- 7 124 **LEWISLAND HIDE N SEEK** 06/07/13 (*Focus vd Piste Trophe a ED x Lewisland Foxy Lady) 5100076513 Brd/Exh. T. Metcalfe
62cm. An oversize bitch. Good head and expression, good reach of neck, good withers, the back should be firmer, short slightly flat croup. Short slightly steep upper arm, good hind angulation, she should be a little deeper and longer in the underchest. Steps wide behind, wide in front. During movement the drive and reach is somewhat restricted. Her size cost her several places.

A large, stretched, well coloured bitch, dark eyes. The planes of the skull and foreface should be better aligned, good ear set and size. Strong neck, high withers, firm straight back, short steep upper arm, short steep croup. She should have more pronounced forechest, slightly short underchest. Very good hind angulation. Stepping behind the hocks should be firmer, stepping a little wide in front the pasterns should be firmer. During movement shows very good drive, slightly restricted forehand reach, the back should remain a little firmer.
- 2 141 **AMARADA KAN U KWIK STEP** 04/07/12 (*Fakir v Heinrichplatz a ED x *Amarada Dirty Dancing AZ) 710002829 Brd/Exh. G. & G. Cullen 59cm bitch who is above medium size and is medium strong, well pigmented and strongly coloured bitch. The planes of the skull and foreface are out of alignment, light eyes. The neck should be a little longer, level withers, slight rise over the back during movement. Short steep croup the upper arm should be longer and better laid. Slightly deep chest, standing correct viewed from the front, the pasterns should be a little firmer. Very good hind angulation. A very substantial bitch. Stepping correct behind the hocks should be firmer, stepping correct in front, the elbows should be tighter. During movement she shows a powerful drive however she falls on the forehand, the back is slightly curved and she has a restricted forereach. The heaviness, curve over the back and restricted forehand movement prohibited her from winning this class.

An above medium size, dry, medium strong, black and gold, expressive typey and animated bitch. Good reach of the neck, high withers, firm straight back, slightly flat croup of very good length. The upper arm should be just a little longer and a little better laid, very good fore and just slightly short underchest development, very good length of the forelegs, very good hind angulation. Standing correct when viewed from the front. She steps correct behind with good hock firmness, steps correct in front but with a slight stepping action, the elbows should be just a little tighter. During movement she shows very good drive and forehand reach transmitted through a firm tight backline.
- 2 147 **AIMSWAY ZADA AZ** 17/10/12 (*Zamb v Schwarzaugen a ED x *Aimsway Winnee AZ) 2100371086 Brd. J. & L. Martens Exh. M. Matuschka 61 cm. A very large, medium strong, typey, well constructed bitch. Good head and expression, good ear size and set, the eyes should be a little darker. Good withers, firm back, slightly short slightly steep croup. The upper arm should be a little longer and better laid, very good hind angulation, very good length of foreleg. Good fore, slightly short underchest. Stands correct when viewed from the front. Stepping correct behind, the hocks should a little firmer, stepping correct in front, the elbows should be a little tighter. During movement she shows an effective drive with very good forehand reach

- transmitted through a firm topline.

A large, strong, animated bitch with large ears that have been damaged. She should have a slightly more defined stop, she has a dark mask, strong neck, high withers, firm back and good croup. She has balanced fore and hind angulation. She has a short underchest. Stepping correct behind, stepping just a little wide in front, the pasterns should be a little firmer. During movement she shows very good drive and reach through a firm back.
- 4 149 **SHEPHERDHILL VENUS** 22/10/12 (Ch. *Schneeberg Fire Storm AZ x Shepherdhill Jaimmie) 5100072327 Brd. Shepherdhill Knls. Exh. Zibellina Knls. 59 cm. Large, strong substantial elongated bitch. The eyes are too light and it spoils the expression. Good neck, good withers, straight back, slightly short slightly steep croup. Very good fore and hindquarter angulation, very good length of foreleg, balanced fore and underchest development. She stands correct when viewed from the front. Stepping from the rear the hocks should be much firmer, stepping a little wide in front the elbows should be tighter to the body. During movement she shows very good drive and forehand reach, I would like to see the ligamentation firmer and tighter and she should be in drier condition.
- 5 145 ***SCHONFEUER HOT DESIRE AZ** 27/02/12 (Ch. *Schneeberg Fire Storm AZ x Sunhaze Melting Moments AZ) 2100356843 Brd/Exh. T. & A. Mills 59cm. Large, very well coloured grey bitch. Very good head and expression, good strength of skull and foreface and dark eyes. Powerful neck, high withers, firm straight back, slightly short slightly steep croup. Balanced fore and hind angulation, the forelegs should be a little longer. Good fore slightly short underchest. Stepping correct behind, stepping a little wide in front, good elbow connection. During movement she shows good drive and forehand reach, however I would like to see the movement a little freer and this cost her a higher placing.
- 6 152 **ZANDRAC YOU'RE THE ONLY ONE AZ** 26/12/12 (Ch. *Kwint v Juerikstall a ED x *Vecia v Noort a ED) 3100282621 Brd/Exh. A. & R. Jones 56.5cm. Under middle size, medium strong, typey quite nicely balanced bitch who should be stronger in the breadth of her skull and depth of foreface. Good strength of neck, high withers, firm back, slightly short slightly steep croup. Pronounced forechest, slightly short underchest, very good fore angulation, deep hind angulation. Very good length of foreleg. Stands correct when viewed from the front. Just a slight curve over the back and loin. Stepping correct behind, stepping correct in front with good elbow connection. During movement she shows good drive and reach however I would like to see her a little freer in movement and steadier in the hindquarters. There is a slight ring to the tail
- 7 160 **ALIMANDA FLIRTING WITH FIRE AZ** 01/03/13 (Ch. *Schneeberg Fire Storm AZ x Ch. *Durnstein Champagne AZ) 5100074493 Brd/Exh. Alimanda Knls. 59cm. A large, grey expressive bitch. Good strength of the skull and foreface, the eyes should be a little darker, the ears should be a little higher set. Good strength and reach of neck, high withers, firm straight back, the croup should be a little longer. The upper arm should be a little longer and better laid, very good hind angulation. Very good length of foreleg, the pasterns should be firmer. Stepping from the rear the hocks should be much firmer, stepping correct in front. During movement she shows good drive with slightly

- restricted forehand reach, she falls a little on the forehand. Her movement stopped her forward advance.
- 8 155 **STOBAR ROSETTA AZ** 14/01/13 (Ch. *Sirio v Rauhtal a ED x *Stobar Hexana AZ) 3100282884 Brd/Exh. H. & C. Auwema
59cm. A large, strong, substantial, elongated bitch who's skull and foreface should be a bit stronger. In stance she gives a very good impression. Very good reach of the neck, high withers, firm straight back, slightly short slightly steep croup. The upper arm could be a little longer and slightly better laid, very good length of foreleg, good fore and underchest development, very good hind angulation. Stepping from the rear the hocks should be much firmer, stepping a little wide in, the front elbows should be firmer. During movement she shows good drive and forehand however she has a slightly high stepping fore action and the hock infirmness is evident.
- 9 165 **SCHAEFERHUND BALLEENA AZ** 22/04/13 (*Yester v Feuermelder a ED x *Ryzack Acacia AZ) 3100287963 Brd/Exh. I. Bohdal
58.5cm. Above medium size medium strong, elongated bitch. Dark mask, good eye colour, she should be a little more settled. She should be a little longer in the neck, level withers, firm back, slightly flat croup. The upper arm should be longer and better laid, good fore slightly short underchest, slightly deep hind angulation. The pasterns should be firmer. Very good length of forelegs. Stepping from the rear the hocks are unstable, stepping from the front the elbows should be tighter to the body. During movement she shows good drive and reach, the back should be firmer, however the hocks are a significant problem and impeded any further higher placing.

64.5 cm. A grossly oversize and relative to her size very fine bitch who lacks any fundamental sense of the desired GSD harmony, proportion or balance. She is animated with good ear size and ear set but she should be stronger in the skull and foreface. She has a short neck, a nick behind good withers, firm straight back, very short steep croup. She has a short steep upper arm with moderate hind angulation, the underchest is short, the pasterns should be much firmer in movement. Stepping correct behind she is stepping very wide in front and the elbow connection is very loose. During movement the drive and reach is restricted. A good grading is being very generous.

61 cm. A very large medium strong boned, mature, black and gold well pigmented, typey, well animated and expressive bitch. Good ear size and ear set, very good breadth of the skull, the stop should be just a little more defined, strong foreface, slight roman nose. Powerful neck, high withers, strong tight back, the croup is a little short and it is steep with a pronounced tail set. Very good fore and hind angulation, balanced fore and underchest development. I would not like to see her any deeper in chest. Stands correct when viewed from the front. A nicely balanced and powerful bitch who steps correct behind with good hock firmness, stands and steps correct in front, the elbows should be a little tighter. During movement she shows a powerful drive with very good forehand reach transmitted through a firm back. The movement is energetic, ground covering, powerful, balanced and harmonious.

- 2 194 **CH. *BRONACRE HOKEY POKEY AZ** 06/10/12 (*Bluemax Zoomba AZ x *Bronacre Philadelphia Freedom AZ) 3100279129 Brd. Bronacre Knls. Exh. A. Brinkworth
60cm. A large, stretched, just medium strong boned bitch who is very well coloured, strongly pigmented and typey. The ears could be just a little higher set, slight roman nose and relative to her skull length she has a slightly long foreface. She has very good reach of the neck, high withers, a firm straight tight back, just slightly short but well laid croup and very good fore and hind angulation. She has balanced fore and underchest development. Very good length of forelegs. She stands correct when viewed from the front. Stepping correct behind with good hock firmness, stepping correct when viewed from the front the elbows could be a little tighter. During movement she shows an effective drive with very good forehand reach transmitted through a firm straight backline. In all respects a very good bitch.
- 3 189 ***VOLSCAIN AKIRA AZ CCD** 01/07/12 (Ch. *Schneeberg Fire Storm AZ x *Molle vd Werther Muhle a ED) 3100275847 Brd. Volschain Knls. Exh. C. Anderson
60 cm. A large medium strong, black and tan bitch. Good eye colour, good expression. She gives a very good impression in stance. Good breadth of the skull, good strength of the foreface. Good reach and strength of the neck, high withers, firm straight back, slightly short slightly steep croup. The upper arm should be just a little longer and slightly better laid, deep hind angulation. Balanced fore and underchest development, very good length of forelegs. She stands correct when viewed from the front. Stepping a little wide from the rear, the hocks should be a little firmer, she is also stepping a little wide in front. During movement she shows very good drive and to her credit she improved as the class proceeded and as such she has advanced from an initial rearward position.
- 4 195 ***WILLMAURS QUEENSWAY QUONDO AZ** 10/10/12 (Ch. *Orrinshir Elton John AZ ET x *Willmaurs Notting Hill Nina AZ 3100161863 Brd. W. & M. Goodwin Exh. A. Vasiliou
59 cm. A well above medium size, medium strong, very well coloured strongly pigmented bitch with Just slightly large ears, Good breadth of skull good strength of foreface, dark mask and dark eyes. Good reach of neck, high withers, straight back, slightly short slightly steep croup. Very good fore and deep hind angulation. Very good length of foreleg. She stands correct when viewed from the front. Stepping from the rear the hocks should be firmer, stepping from the front the elbows should be a little tighter. The pasterns should be a little firmer. During movement she shows very good drive and reach, the ligamentation over the back should remain tighter and this cost her a place.
- 5 174 ***SCHAEFERHUND NELKE AZ** 15/07/10 (Ch. *Orrinshir Elton John AZ ET x *Schaeferhund Celena AZ) 3100241339 Brd. I. Bohdal Exh. Walter/Schulz
60 cm. A large just medium strong, stretched, typey well coloured strongly pigmented dry and expressive bitch with good ear size and ear set. Good breadth of skull however I would like to see the underjaw a little stronger, slight roman nose. Good reach of the neck, high withers, firm straight back, very good lay and angle of the croup, slightly high set tail. The upper arm should be a little longer, she shouldn't be any deeper in hind angulation, very good length of foreleg. She stands correct viewed from the front. Stepping behind the hocks should be a little firmer, stepping correct in front the

- elbows should be a little tighter to the body. During movement she shows very good drive with just a slight restriction in the forereach, transmitted through a firm backline. After some enduring gaiting there is an inclination to fall on the forehand and this cost her several places today.
- 6 192 ***ALBATA HAVANNA AZ** 08/09/12 (*Toby vd Plassenburg a ED x *Albata Nikki AZ) 4100219482 Brd/Exh. F. & C. Aili
61cm. A very large, very energetic, medium strong bitch. Good breadth of skull, she should be a little stronger in the foreface, in the underjaw. Good strength of neck, high withers, firm back, good croup. The upper arm could be a little longer, deep hind angulation. Good fore and short underchest. Good length of foreleg, the pasterns should be a little firmer. Stepping wide behind because of the deep hind angulation the hocks should be firmer, she steps wide in front and the elbows should be tighter. During movement she shows good drive but I would like to see the hocks more stable, good fore reach, she has a firm tight backline.
- 7 190 ***KINBAR ANGEL ABBI AZ** 05/07/12 (*Vegas v Dongmiran a ED x *Schaeferhund Fanta AZ) 3100275128 Brd/Exh. S. Kinsman
58cm. Medium size slightly fine bitch who should have more substance. In keeping with her structure the skull and foreface should be more substantial. She has dark eyes. She should have more strength of neck, high long withers, firm straight back, slightly short slightly steep croup. Short steep upper arm, deep hind angulation. Good length of foreleg, slightly upright pasterns. She should stand just a little more correct when viewed from the front. Whilst the colour of the bitch is good the pigment is lacking. Stepping from the rear the hocks should be firmer, correct from the front but the elbows should be tighter to the body. During movement she shows good drive and reach that is transmitted through a firm back.
- 8 179 ***BRONACRE PHILADELPHIA FREEDOM AZ** 13/01/11 (Ch. *Orrinshir Elton John AZ ET x *Bronacre Imogen AZ) 3100250572 Brd/Exh. Bronacre Knls.
57cm. A medium size medium strong, well coloured strongly pigmented expressive bitch. Good ear set and ear size. Good breadth of skull, dark eyes. The planes of the skull and foreface should have a better alignment and this spoils her expression and this is compounded by the foreface being just a little too long. Strong neck, high withers, firm back, slightly short steep croup. The upper arm should be a little longer and better laid, very good hind angulation. Good forechest, slightly steep underchest. Good length of forelegs, the pasterns should be firmer. Stepping correct behind, good hock firmness, stepping correct front the elbows should be tighter to the body. During movement she shows good drive and forereach however she has a slightly stepping action where she bends the forelegs at the elbow and I would like the ligaments over the back to remain a little firmer.
