General Comments:

Thank you to the Club for inviting me to judge the young classes at this 2016 Victorian State Breed Evaluation. I also thank all exhibitors for their entries and sportsmanlike presentation. The numbers entered in the male classes were a little disappointing. The type of animals presented was quite pleasing overall, with only a few animals not achieving the highest grading in their classes. Colour and pigment was generally good, as were the hindquarter angulations. Length of upper arms and croups, and prevalence of light to medium eye colour were the most commonly mentioned problems, and in a few cases the underjaw could have been stronger.

Mrs Fran Farley (Vic) – All Open Classes

SUMMARY Open Classes 2016 Victorian State Breed Show - Fran Farley

Whilst the initial entry, number wise, in the open classes was disappointing, I was impressed with the overall quality, and in particular, considering the very inclement weather conditions which we all endured, the great camaraderie & sporting attitude shown by all exhibitors.

Open Bitch

Seigerin, at now over 6 years, deserved her title thoroughly. Her sire has become almost a cornerstone of the breed in this state – Winona has excellent hip & elbow status – she is linebred on Iwan v Lechtal & Dorsten Monte Cito. Her progeny speak for her re-producing ability, numerous placings in younger classes & her daughter the Intermediate class winner is a beautiful bitch. I was proud to award her the Siegerin title for 2016 & Excellent Merit grading.

Exc.Merit 2 is another Elton John daughter, she is near 6 years and at the peak of her maturity, she ‘fills the eye’ at all times. Nelke is also linebred on Iwan & Monte Cito.

Exc.Merit 3, Baleena is always presented in top condition and impresses with her overall strength & substance. She covers the ground extremely well at all speeds and is not extreme in any area of her construction. A daughter of Yester Feuermelder, she herself has very good hips and elbows – her dam is a Kwint daughter & her grand dam Schaeferhund Yenta also carries Iwan & Monte Cito.

Open Male

Sieger & Excellent Merit, Yukon showed himself extremely well & impressed in his gaiting performance. Well handled, he was consistent throughout the prolonged gaiting. He is an unexaggerated strong male with excellent pigmentation. I have observed him in all situations and he impresses in his outlook on life, and his calm demeanour in all situations. An Enosch son, his grandsire is Ober Bad Boll and his dam, a daughter of Remo – he has an excellent pedigree. His progeny to date are only young, but I have observed that he is passing on his own attributes, so after careful consideration, I decided he is worthy of promotion.

Excellent no. 1 & 2, are litter brothers and only young sons of Pepe, who has excellent hip & elbow results (6.36 mean & 91% elbows normal) they are both sire typical in my opinion and deserve to be utilised by breeders. I would hope that breeder/exhibitors, continue to support the concept of Breed shows – the future safety/success of the German Shepherd is paramount.
