**Overview of GSDCV 4<sup>th</sup> GSD Breed Exhibition 11<sup>th</sup> August 2019**

I would like to thank the GSDCV for the appointment to judge, and in particular to my ring officials, Stenographer Barbara Blythe and ring steward Glenn Moore. Also special mention to your lovely show secretary Cristine Begbie who ensured I was looked after prior to, during and after the event. Of course not forgetting the exhibitors for supporting the show and entering your dogs, I appreciate your support and thank you for good sportsmanship in the ring.

I was pleased that I managed to bring some of the Qld sun with me and for the majority of the day the weather was kind to us, nothing worse than showing dogs in the mud and rain. The overall entry was 62 dogs, 9 LSC females, 11 LSC males, 27 SC females and 15 SC males. There were 17 LSC exhibited and 33 SC for a total of 50 dogs exhibited. It was interesting that there were more Open SC males entered and shown than female SC. The main sire influence was Conbhairean Freddie who sired 6 class winners and a number of higher place getters. It was pleasing to see that all of these animals sired by Freddie were in my opinion of high quality.

The winners of the female Long Stock classes were overall pleasing, the standout though for me was the Open female who was particularly lovely and very well presented. The Open dog and Intermediate Long Stock male winners were also dogs of very high quality. Some concerns with the younger classes with over angulation of the hindquarter, shortness of body coupled with short under chest.

The Stock classes in both males and females were small in numbers and surprisingly only 1 Puppy and 1 Junior female, both were above average quality however disappointing to only have the one in each class. The Intermediate and Open classes were all of correct size and the overall soundness of the hocks was correct. The Open females in my opinion showed overall very good strength of body.

Of the Stock Coat males only 1 was exhibited in each of the Minor, Puppy, Junior and Intermediate classes. The Open dogs were mixed in type and ranged from maximum size to below medium size. In my opinion the Open dog winner was of correct size, presented an overall pleasing picture in both stance and movement and was above average quality, commendable was his firmness in the hocks, and correct hindquarter angulation.

Some dentition faults in the adult classes should be noted, in particular dropped lower incisors, 1 x close scissor bite, incorrect spacing with incisors and wearing in some younger dogs.

I did make mention on numerous occasions the importance of ensuring the overall joint soundness in our dogs and appreciating the working attributes of the dogs and promoting the more moderately angled dog as opposed to the more heavily angulated dogs, that are not sound behind.

Once again thank you to the club and exhibitors for their hospitality and sportsmanship. I really enjoyed the day and look forward to judging again in Victoria at another time. Till then enjoy the breed that unites us.

Sharon Ballantyne-Gordon
