

LILLYDALE CHAMPIONSHIP SHOW

SATURDAY 10 AUGUST 2019

JUDGE: MR. LOUIS DONALD

Summation by LOUIS DONALD

"Small entry of course but probably in line with today's norm. I set my completion time to be 12.30 pm and I finished at 12.29 - the Lillydale Show Manager David Barclay was very pleased and thanked me. For 60 dogs this was not difficult to do in spite of the very bad weather and important for interclub relations. The usual issues of course, but a few points I note; Quite a few teeth issues, most minor, but plenty of them.

Temperament and character was something I noticed - in percentage terms too many were less than confident, some neurotic and a few dog aggressive. The majority of exhibits were large. Lots of dogs too deep in hindquarter and toplines of all descriptions. Rib cage formation is an issue - lacking spring i.e. slab sided and deep/narrow viewed from the front. I tried to convey a message in my judging and critiques on the microphone - promote the principle that the GSD is a working dog. To do this meant making the point via my placings - no one gets subtlety in the dog game".
