

WORKING DOG CLUB OF VICTORIA

CHAMPIONSHIP SHOW

SUNDAY 3RD NOVEMBER 2019

JUDGES SIG. ROBERTO CAPUTI (SV) – SC Dogs, All LSC Dogs & Bitches

Mr IAN URIE – SC Bitches

Judges Summation – Ian Urie

I wish to thank my Club, the German Shepherd Dog Club of Victoria, for the opportunity to officiate as a judge at one of their largest and most prestigious Championship shows. I had a very good entry of animals in the Long Stock Coat classes and Stock Coat male classes for GSDCV on Saturday, and on Sunday I judged the Stock Coat females for the Working Dog Club of Victoria. It was a great pleasure for me as well, to judge alongside a respected International judge, Mr Roberto Caputi from Ecuador.

The quality of animals presented was on the whole very good, and I was particularly impressed with the number and quality of the Long Stock Coat males presented, which confirms that the LSC variety of our breed is now well established and going from strength to strength since their introduction, a credit to the breeders of that coat variety. The winner of the Open LSC male class is an outstanding animal with a strong and well-constructed head with praiseworthy depth of the muzzle.

I had very few animals that measured above the accepted limits of size, and in the Open classes there were several exhibited which stood at the ideal medium size, and a good proportion from above medium to large, although there are still many which are close to the maximum size. Bone strength overall was generally medium, with only a few animals critiqued as strong in bone, even in those of the larger size. Breadth of skull was good in most exhibits, but there are some which should be stronger in the foreface and lower jaw. Most ears were firm and well set, with perhaps 25% where the ears were a little too widely placed. Forehand angulation was in the main good, however in most cases they should still have more length of the upper arm, and a couple had steeply angled shoulder blades. Length of forelegs were good, and I found only a few where the under chest was noticeably short or too deep. Hindquarters were also mostly well angled, with a few being critiqued as pronounced, and only a couple whose hocks were not firm in movement. Character on the whole was very good, however I did penalise several younger animals (either by placings or gradings) for showing a lack of confidence on the individual presentation when checking teeth or during measuring. One female in the Open class did not stand firm for the gun test and was not graded.

The highlight of the weekend for me was the opportunity to judge two of our recent National Gold medal Winners in the Open classes, and both Macho vom Lamorak and Charlotte von Tronje were worthy winners of their classes and the Challenge Certificates. Macho went on to win Best of Breed under Roberto Caputi at the Working Dog Club, and we were all very proud when he was awarded Best in Show by Ms. Karen McDevitt from Ireland in the General Specials. It is very rarely that a German Shepherd has achieved that milestone at All Breeds shows in Australia, and it was a deserved recognition of one of the foremost current animals in our Breed.
