

German Shepherd Dog Club of Victoria
State Breed Exhibition
8th and 9th May 2021
Judge: Mr Vincenzo Tantaro

Summation

I would like to thank the members and Committee of the German Shepherd Dog Club of Victoria for the invitation to judge the 2021 State Breed Exhibition (SBE). I would also like to thank Ian Urie, Show Manger and Cristine Begbie, Show Secretary and members of Show Committee for their kind hospitality and consideration. I also thank my team in the tent Barbara Blythe, Judith Strahan and Sharon Hargreaves. A special thanks to Jacinta Poole who continues to provided photographic history of all our shows - this is not only appreciated by officiating judges but many exhibitors as well.

The event was very well set up and conducted; congratulations to all who contributed to its success!

Unlike previous years, this year saw the appointment of one judge. I have always believed, in light of falling entries over the years that this was the logical path to take, as the fraternity receives breed direction based on the judge's observation and judgements of all classes.

The entry of 86 was slightly up on the 2019 SBE entry (77). Absentees were low, however it was noticeable that a number of exhibitors for whatever reasons did not enter. This phenomena is what killed off the Main Breed Exhibition. It is most important that the whole fraternity supports the SBE: in the end, as it is my opinion that is where the breed sits at the moment. The opinion is not binding on anyone and in reality does not influence other judges to follow it.

We must remember that the sole purpose of every dog show is for judges to give breed direction.

The main feature of this event is the Sires Progeny and noting the 2020 & 2021 GSDCA National GSD Show & Trial were cancelled due to COVID, it was pleasing that we were able to observe 2 of the 3 eligible groups present their progeny.

The statistics as presented, are as of 29 March 2021. I thank Frank Moody, GSDCA Database Officer for providing this as well as data for Open Class males as exhibited.

Sires Progeny:

***UK Champion Conbhairean Freddie** a ED: Excellent.

Line Breeding: Larus von Batu: 4-4)

- Released from Quarantine: March 2017
- ANKC registered progeny: 374
- GSDCA HD Classified: 64
- GSDCA ED: Classified: 64
- GSDCA Breed Survey: 31

Sire not present: This is the second time that Freddie has presented a group at this SBE. Last time (2018) was when I too judged the Open Classes. A group of 13 animals were eligible with 2 males and 6 females from 8 dams in Open to Puppy Classes presented.

The Group has developed from what was a very promising group to one that does not disappoint.

What is evident is the consolidation of type and overall very good construction. The group is very father typical, and there is clear distinction between the sexes. They are large to very large well-proportioned animals with overall very good firmness. The warnings as given before still stand, namely ear set should be closer, the stability of the hindquarter which should be firmer, length and lay of upper arm and the croup. . The consolidation of type can be further considered if due concern is taken with regard to the warnings as given.

***Chili Della Valcuvia (Imp Italy), a (It) , ED (It), Excellent**

Linebreeding: Furbo degli Achei (3-4,4), Vegas Du Haut Mansard (4-3), Quenn Loher Weg (4,4-5,5-5)

- Released from Quarantine: July 2020
- ANKC registered progeny: 86
- Progeny too young to participate in GSDCA schemes.

Sire not present: Firstly, it must be noted that the group as presented consisted of animals from Baby Puppy, Minor Puppy and from 6 Dams.

This very young group is father typical and representative of the paternal father Ulkan v. Maikhaus and grandfather of the Landos v Quartier Latin. Having seen both these dogs and their progeny in Italy and Germany, it is pleasing that Chili is able to produce.

I ask all to please note: The commentary as offered is as a result of the age of the progeny presented, quite basic. No doubt as the group ages more definitive observations can be made.

The group as presented sees animals with much presence, they are very well coloured and pigmented, they move well and show a willingness to work. The major concern is the stability of the hindquarter and some stepping cow hocked behind with very loose hocks. The sire offers much promise, however the stability of the hindquarter must be taken into account when considering this dog in your breeding plan. I highly recommended that further line breeding to Vegas v Haut Mansard is avoided. I look forward to seeing this very good group develop and presented in the future.

I have added comment to the critique of exhibits as presented in the Open Class. As has always been in my case, the awarding of the Excellent Merit was not taken lightly: The criteria I have applied is as before- the animal must be of desired type, high quality and have the potential in my opinion to further consolidate the breed through its pedigree or its progeny.

The variance of type in the SC variety is of concern and the result of using imported dogs over the last 5 years is that whilst some have consolidated type, there has been a compounding of the problems of over angulated hindquarters, short steep upper arms and croups. There must be greater awareness of what each dog has the potential to offer. Breeders must research and in particular take note of the dog's mother line.

It must be noted that the quality and type of the LSC variety has since its acceptance for breeding continues to excel. No doubt the ability of the enthusiast to further consolidate with a high degree of predictability is in the main due to a number of Bloodlines producing.

In closing I again thank the exhibitors who supported this year's event and again and again I would call of the show fraternity to exhibit your animals regardless of who is judging. Without full representation it is hard for such an event to be truly useful.

Kindest regards,
Vincenzo Tantaro

- Linebreeding: Nil
Y:3 M:5 D:23 Height/Depth of Chest: 60/29. Large, medium strong substantial very well pigmented bitch of the desired type. Expressive feminine head with very good expression. Desired strength of foreface. Very good length of neck. High withers, firm back, slightly short but well moulded croup. Stands correct in front. Very good fore and slightly short underchest. Very good fore and hindquarter angulation. Steps correct front and rear with good firmness of hocks. Movement shows far reaching dynamic gait with very good reach and powerful drive maintaining a high

wither. Off lead gaiting showed far reaching powerful dynamic movement. A lively bitch of much character.

The 2021 Victorian LSC State Seigerin was most convincing in gaining the title, she impressed in stance, is firm and dry, and whilst moving showed a sustained far reaching powerful movement maintaining her top line. She has a brother who was graded Excellent.

The fact that she has no linebreeding allows her to be mated to a number of dogs that are equal to her in type and further consolidate the type and overall construction.

555 2 EXC *CH MAADRICA ANYA AZ RN 18/08/2017 3100362767 Sire: Conbhairean Karlos
Dam: Shaeferhund Nelke Brd: Ms H Walter & Mr J Schulz Exh: Mrs D & Mr R Cameron

Line breeding: Nil

Y:3 M:8 D:21 Height/Depth of Chest: 60/27.5. Large, strong substantial well coloured and pigmented bitch of the desired type. Strong but still feminine head. Very good expression enhanced by dark masking and eye colour. Very good length of neck. High withers, firm back. Slightly short but well moulded croup. Well developed fore and underchest. Stands not correct in front. Very good fore and very good hindquarter angulation. Steps slightly cow hocked behind. Hocks should be much firmer. Shows far reaching powerful dynamic movement. Movement shows far reaching powerful gait maintaining a high wither and willingness to run. Off lead gaiting shows far reaching powerful dynamic movement maintaining a high wither. A bitch of much character and willingness to work.

This bitch impressed in stance and movement. She is dry and firm and has very good anatomical construction. I also congratulate her performance in the Obedience Trial where she gained her CCD Title. It is unfortunate that she does not stand correct in front and her hocks are not firmer as she was considered for the ExM grading.

The fact that she has no linebreeding allows her to be mated to a number of dogs that are equal to her in type and further consolidate the type and overall construction

553 3 EXC *LORDAVO MIDNIGHT FANTASY 26/01/2017 3100353172 Sire: Ch Jayshell Glasgow (Az) Bscii Dam: Ch Aimsway Shaquille (Az) Brd: Mr D & Mrs L Organ Exh: David & Lorelle Organ

Linebreeding: Nil

Y:4 M:3 D:13 Height/Depth of Chest: 57.5/28. Medium size, medium strong, richly coloured and pigmented bitch of very good type. Feminine expressive head where the foreface could still be stronger. Very good length of neck. High withers, straight firm back. Slightly short slightly steep croup. Stands correct in front. Very good fore and good underchest. Good fore and hindquarter angulation. Steps slightly narrow front and rear. Good firm hocks. Movement shows very good ground cover with very good reach. The drive could still be more powerful. Off lead gaiting shows very good movement maintaining her wither. A bitch of much character.

This bitch performed well however should have been more expansive throughout the movement phase

The fact that she has no linebreeding allows her to be mated to a number of dogs that are able to improve on her construction and further consolidate type.

Linebreeding: Iwan Lechtal (5,5,5-4)

Y:5 M:10 D:28 Height/Depth of Chest: 61/29. Large, medium strong, substantial bitch of very good type. Strong expressive feminine head. Desired dark masking. Very good length of neck, high withers, firm back, slightly short well moulded croup. Stands correct in front. Well-developed fore and under chest. Good fore and very good hindquarter angulation. Steps correct behind with good firmness of hock joint. Movement shows very good reach and powerful drive transferred into a firm back maintaining high withers. Off lead gaiting shows very good ground cover maintaining her wither. A bitch with much character and presence.

A bitch that I have judged previously and one that never disappoints. Her performance during the movement phase showed very good expansive movement during all phases and willingness to run. She typifies the German Shepherd Dog. Being line bred to Iwan v Lectal offers a high degree of predictability and basis for further consolidation of type.

577 4 EXC *BODECKA MAYHEM AZ 14/11/2018 3100383147 Sire: Ch. Seigen Suris Alfie Dam: Bodecka Zensation Brd: Exh Exh: Jenny Joseph

Linebreeding: Iwan Lechtal (5-5)

Y:2 M:5 D:25 Height/Depth of Chest: 61/29. Very Large, strong, substantial well pigmented bitch of very good type. Good head, the underjaw should be much stronger. Feminine expression. Very good length of neck, normal withers, firm back, slightly short steep croup. Stands correct in front. Very good fore and underchest. Good fore and very good hindquarter angulation. Steps correct front and rear, elbows should be firmer. Movement shows very good reach and

powerful drive. Off lead gaiting shows very good ground cover where withers should be held higher. A lively bitch with much character.
A bitch that mirrors her linebreeding and who put in a credible performance during all phases of gaiting- ideally the wither should have been held higher. Being line bred to Iwan v Lechtal offers a high degree of predictability and basis for further consolidation of type. She presented progeny: SC MPB 2 and LSC MPB 1.

567 5 EXC *ARRISTAR LYKA BAT OUTA HELL AZ 11/11/2015 3100331968 Sire: Sensen Mann Yokon (Imp Deu) Dam: *Harlerose Angel Cd Brd: Mrs J M Urie Exh: Mrs A & Mr J Barr

Linebreeding: Pakros d'Ulmental (5-5)
Y:5 M:5 D:28 Height/Depth of Chest: 59.5/27.5 Worn upper front incisors. Large, strong substantial well coloured and pigmented bitch of very good type. Strong but still feminine head. Very good length of neck, high withers, firm back, slightly steep croup. Stands correct in front with very good fore and underline. Good fore and very good hindquarter angulation. Steps correct front and rear with good firmness of hocks. Movement shows very good reach with powerful drive. The reach could be freer. Off lead gaiting shows very good ground cover, falling slightly on the forehand. She has much character.
I must congratulate this bitch on being the 2021 Victorian SBE Dual Performance (Show & Obedience) winner.
This bitch impresses with her strength and soundness. During the movement phases she showed very good reach and drive and maintained her wither. She also presented progeny SC JB 2.
Her pedigree is well defined and she offers much to further consolidate type and improve construction.

568 6 EXC *AMBALA SERENDIPITY AZ 29/10/2016 2100465811 Sire: Bossface Barack Dam: Ambala Playboy Bunny Brd: Mrs F Stokes & Mrs R & Mr P Berechree Exh: Ms K Glasheen

Linebreeding: Nil
Y:4 M:6 D:10 Height/Depth of Chest: 57/28. Above medium size, just medium strong bitch of very good type. Feminine head and expression. Ideally the foreface should be stronger. Very good length of neck. High withers, firm back, slightly steep croup. Stands correct in front. Good fore and underchest. Good fore and slightly deep hindquarter angulation. Movement shows very good ground cover with very good reach and powerful drive. The hocks should be firmer. Off lead gaiting shows very good ground cover maintaining a high wither. Her colour should be more pronounced. She is lively.
A bitch that whilst dry and firm ideally should have more muscle mass. She performed well during the movement phases, but at times should have been more expansive and wither held higher.
Her pedigree is well defined, however most important to further consolidate type and utilise dogs that offer a high degree of predictability and improved construction.

576 7 EXC *JAYSHELL TOUCHEE (AI) AZ TD RN 25/10/2018 3100382557 Sire: Macho Vom Lamorak Ger. Fh-2 Ipo3 Dam: Ch. Jayshell Kenzie Brd: Mrs N Mcdermott Exh: Mrs R Snijders

Linebreeding: Janos Noriswand (4-5)
Y:2 M:6 D:14 Height/Depth of Chest: 59.5/29. Large, strong, substantial well pigmented bitch of very good type. Strong but still feminine head, feminine

expression. Ideally the underjaw should be stronger. Very good length of neck. High withers, firm back, slightly short steep croup. Stands correct in front. Very good fore and underchest. Good fore and very good hindquarter angulation. Steps narrow behind, hocks should be firmer. Movement shows very good ground cover with very good reach, the drive could still be more powerful. Off lead gaiting shows very good movement with very good reach and drive. A bitch with much character.

A bitch that impresses with her strength but should have been presented much firmer and dryer. She performed well during the movement phases but overall should have been more expansive with withers held higher.

Her pedigree is well defined and offers a degree of predictability to further consolidate type and improve construction. She presented progeny: SC BPD 2 & SC BPB 5.

573 8 VG1 *BLAKNGOLD MOREBANGFORYOURBUCK AZ 12/07/2018 3100378372 Sire: Ch. Schaeferhund Logun (Ai) Dam: Blakngold Get Rich Quick Brd: Exh Exh: Vanessa Stocks

Linebreeding: Nil

Y:2 M:9 D:27 Height/Depth of Chest: 57.5/27.5. Double P1 lower left and right. Above medium size, just medium strong, well proportioned bitch of good type. Good head, the strength of the foreface should be much stronger. Feminine expression, the eye colour should be darker. Very good length of neck, level withers, slight rise in topline. Slightly short steep croup. Stands not quite correct in front. Very good fore and good underchest. Good fore and very good hindquarter angulation. Steps slightly narrow behind, hocks and elbows should be firmer. Movement shows good ground cover where the reach should be freer and the drive more powerful and the wither held higher. Off lead gaiting shows balanced reach and drive.

This bitch unfortunately did not prove herself during the movement phases. She should have more willingness, be more expansive and withers held higher.

She has no line breeding and therefore only dogs that are very well constructed and have a high degree of predictability should be utilised in order to establish path to desired type and better construction.

569 W/D --- * SANNJESA QUEEN OF DIAMONDS AZ 28/03/2017 3100356725 Sire: Seigen Suris Alfie Dam: Sannjesa November Rain Brd: Mr Steve Mase Exh: Abbey Cabel

Linebreeding: Nil

Off lead gaiting shows far reaching powerful gait maintaining a high wither and very good overall firmness. A dog with much character and with willingness to run.</p> <p>This dog was most impressive in stance and it was hard to believe he only recently arrived in the country. He is a true medium size dog with very good strength, substance and definitely masculine. He reminds us that a male German Shepherd Dog need not be top size to be masculine.</p> <p>He performed faultlessly during the movement phases and showed sustained far reaching movement, high wither and very good overall firmness with the desired willingness to work tirelessly.</p> <p>He has no linebreeding and is quite sound. His pedigree offers a high degree of predictability as both his sire and dam are very well constructed. I look forward to viewing his progeny in the future.</p> <p>It is indeed a pleasure to award him Excellent Merit and the title of 2021 Victorian SC Sieger.</p>
581	2	EXC Merit	<p>*DJANGO VOM TEAM PANONIANSEE 'A' 'ED' 25/07/2017 JR755492 Sire: Kasper Von Tronje Dam: Elipsa Von Panoniansee Brd: Jovana Jovovic Exh: L.Martens</p> <p>Linebreeding: Zamp Thermodos (5-5) Arrived September 2020 ANKC Registered Progeny:57 GSDCA HD & ED: Progeny too young Y:3 M:9 D:14 Height/Depth of Chest: 64/29. Large, just medium strong, substantial, very well coloured and pigmented dog of desired type. Masculine head with very good expression enhanced by dark masking and eye colour. Very good length of neck, high withers, firm back. Slight short but well laid croup. Stands correct in front. Very good fore and underchest. Very good fore and very good hindquarter angulation, the long upper arm could still be better angled. Steps correct front and rear with very good firmness of hocks and elbows. Movement shows far reaching powerful gait maintaining a high wither and very good overall firmness. Off lead gaiting shows very good ground cover maintaining high wither and overall firmness. He is lively and has much character.</p> <p>This dog is most impressive in stance and overall very correctly constructed. He is a dog of much value and no doubt will imprint the breed in this country.</p> <p>He displayed very good movement during the movement phases where the reach should have been freer.</p> <p>He has a very good pedigree that sees both sire and dam lines offering a high degree of predictability and is himself very sound. He presented progeny: LSC BPB 1 & SC BPB 3 which are very father typical.</p>

It is indeed with pleasure that I awarded him the Excellent Merit grading.

580 3 EXC Merit *CH. FREINHAUF HASTA LAVISTA BABY AZ 20/08/2016 6100101578 Sire: Gerry Vom Schacher (Imp Deu) Dam: Pedra Degli Achei (Imp Ita) Brd: Mr Kr Mrs Rt & Mr Ca Knuckey Exh: Miss Ve McGinty

Linebreeding: Pakrosd'Ulmental(4-4), Karma Ochsantor (5,4-5), Esko Danischen Hof (5-5,5)

ANKC Registered Progeny:7

GSDCA HD: 1

GSDCA ED: 1

Y:4 M:8 D:19 Height/Depth of Chest: 64/31. Large, strong, substantial very well coloured and pigmented dog of desired type. Strong masculine head with very good strength of foreface and very good expression enhanced by his dark masking, eye colour and ear set. Very good length of neck, high withers, firm back, well moulded croup. Stands correct in front. Well developed fore and good underchest. Very good fore and hindquarter angulation. Steps slightly narrow behind. Elbows should be firmer. Movement shows far reaching powerful gait maintaining his wither. Off lead gaiting shows very good ground cover with very good reach and very good overall firmness. A lively dog with much character.

This dog was excellent 1 at the 2019 Victorian SBE (J.Yuen) and under me was SC MPD 1 at the 2017 Victorian SBE.

This is a dog that has always impressed me. He is very well constructed and typifies the GSD Standard. Again I am surprised that despite being promoted and fact he is one of 3 from same litter that are of high quality that he has not been utilised more!

He performed very well during the movement phases, however tired and therefore lost his leading call out position. Despite this and because of the potential the dog holds, he was always going to be elevated to the ExM group.

He is very well bred and offers a high degree of predictability and possible moderation.

It is indeed with pleasure that I award him the Excellent Merit grading.

579 4 EXC *CH. JAYSHELL NEBRASKA AZ 04/12/2015 3100332848 Sire: Ch Fremont Hells Bells Dam: Ch Jayshell Winona Brd: Mrs N Mcdermott Exh: Mrs N Mcdermott & Mrs S Bick

Linebreeding: Iwan V lechtal

ANKC Registered Progeny:60

GSDCA HD: 10

GSDCA ED: 10

GSDCA Breed Survey: 4

Y:5 M:5 D:4 Height/Depth of Chest: 63.5/30. Large, medium strong substantial very well pigmented dog of very good type. Strong masculine head. Very good expression enhanced by a dark mask and eye colour. Very good strength of foreface. Very good length of neck. High withers, firm back, slightly short steep croup. Stands correct in front. Well developed fore and underchest. Good fore and very good hindquarter angulation. Steps correct front and rear. Good firmness of hocks and elbows. Movement shows very good ground cover with very good reach where the drive should still be more effective. Off lead gaiting shows very good ground cover where the wither could be held higher. A dog with much character.

This dog was judged by me on a number of occasion and notably Excellent 1 at the 2018 Victorian SBE. At that time I made mention that the dog was not exaggerated and offered breeders an opportunity to moderate construction and in particular

improve soundness. Further like then I can only reiterate that he is very well bred and the pedigree offers a high degree of predictability. Unfortunately his performance during the movement phases was not convincing and time one may say has caught up with him. He did maintain his position as he had well performed progeny: SC JB 1 & SC IB 2.

582 5 EXC

***CH. ZANDRAC JAGUAR AZ** 29/04/2018 3100376260 Sire: Conbhairean Karlos (Imp Uk) Dam: Zandrac Its A Love Thing Brd: Mrs R Jones Exh: Shebelle Kennels

Linebreeding: Vegas du Haut Mansard (4-3)

ANKC Registered Progeny:0

Y:3 M:0 D:10 Height/Depth of Chest: 64/30. Large, medium strong substantial well pigmented dog of very good type. Strong masculine head, strong foreface. Very good expression and desired dark eyes. Very good length of neck, high withers, firm back, slightly short steep croup. Stands correct in front. Well developed fore and underchest. Good fore and very good hindquarter angulation. The upper arm should still be better angled. Steps correct front and rear with good firmness of hocks and elbows. Movement shows far reaching gait, where the drive could still be more powerful. Off lead gaiting shows very good ground cover with very good reach, falls slightly on the forehand. A calm dog with much character.

This dog whilst moderate in construction has many attributes that see him fulfil the breed standard. He performed very well during all phases of movement and exhibited a willingness and ability to maintain very good ground cover with a high wither.

He is very well bred and offers moderation and consolidation of type. Further line breeding to Vegas is not recommended and his HD score should be noted.

583 6 EXC

***BRONACRE ULURU JACKAROO AZ** 18/10/2018 3100382276 Sire: *Gerry Vom Schacher (Ger) Dam: *Bronacre Uluru Matilda Et Brd: Bronacre Kennels Exh: Mrs. Fran Farley

Linebreeding: Pakros d'Ulmental (4-5)

ANKC Registered Progeny:0

Y:2 M:6 D:21 Height/Depth of Chest: 65/32.5. Large, strong, substantial well coloured and pigmented type of very good type. Strong masculine head, his loose lips detract the expression. Desired dark masking. Very good length of neck. Normal withers, firm back, slightly short but well moulded croup. Stands not quite correct in front. Well developed fore and underchest. Good fore and very good hindquarter angulation. Steps correct front and rear, elbows should be firmer. Movement shows very good ground cover, very good reach where the drive could still be more powerful. Off lead gaiting shows very good ground cover maintaining his wither. Much character

This dog showed much willingness to run however the gaiting performance was at times erratic with much energy spent pulling too hard. He impresses with his strength, and his willingness to work which needs to be harnessed, however, overall should be more firm.

His pedigree offers predictability with improvement in strength.

585 7 VG1

***INIFF ICEBREAKER A Z** 22/12/2018 3100385185 Sire: Baggio Von Juvenisty Dam: Iniff Shes The One Brd: Iniff Kennels Exh: Mr R & Mrs A Mackay

Linebreeding: Esko Dainischen Hof (5-5)

Y:2 M:4 D:17 Height/Depth of Chest: 66/31. Double P1 Upper Left. Very large, strong, substantial well coloured pigmented dog of very good type. Strong

masculine head, desired dark masking. Good expression, good length of neck, normal withers, slight rise in topline. Slightly short well moulded croup. Stands not correct in front. Well developed fore and underchest. Good fore and slightly deep hindquarter angulation. Steps slightly cow hocked behind, close in front. Hocks and elbows should be firmer. Movement shows good ground cover where the reach and drive should be more effective. He falls slightly on the forehand. Off lead gaiting shows balanced movement falls on the forehand.

This dog unfortunately did not prove himself during the movement phases. He was restricted both in reach and drive and fell on the forehand. He needs to be much fitter and show a willingness to run.

He does not reflect his linebreeding.

Dual Performance
