

German Shepherd Dog Club of Victoria

State Breed Exhibition

11th & 12th March 2023

Judge: Mrs Robyn Knuckey (WA)

SUMMATION

The SBE was held over 2 days with excellent organisation of the event. Thank you to the GSDCV for the kind invitation to judge the 2023 SBE. Saturday were classes Baby to Intermediate for both coat varieties and the 2 sires progeny groups of Wulkano-Uno von Schnitzerteam Imp Hun and Chili della Valcuvia Imp Ity. Sunday was the judging of the 4 Open classes. The weather was pleasant and the sportsmanship of the exhibitors was very good. There were 80 entries for the event, with 65 presented over the weekend. Critiquing was from the Minor classes and up. Of note, 4 animals in the Open classes, also competed in the obedience ring, with 3 passes and 2 gaining an Excellent in obedience. Congratulations to the owners of these animals.

Open Long Stock Coat Female class had 5 entered with 2 scratched. The Siegerin was *Ch Lordavo Royal Symphony, a previous winner of this event. A harmoniously constructed female, without exaggeration, with effortless free flowing movement both on and off lead. At 5 years, showed her full maturity, fully deserving her Excellent Merit grading. Saying this, her position was pushed by the second placed female, * Bodecka Ohh La La, she was only just over 2 years and will mature more in the future, especially once she has a litter. She is a good representative of her bloodlines and should produce in the future. As she has no progeny, was graded Excellent 1.

Open Long Stock Male class with 5 entries and 1 scratched. The Sieger *Eroica Jethro RN CD ET, a very large male, measured 66cms comfortably on the day. A very well constructed, masculine male, with very good top and underline and very good angulations. Stepping correctly with firm hocks. Now in full maturity, a very impressive Sieger, and clear winner of the class. He was also the winner of the Dual Trophy for Obedience and Show.

Open Stock Coat Female class with 13 entries and 2 scratched. This was a very high quality class, an absolute honour to judge, with the first 3 graded Excellent Merit. The Siegerin *Hasenway Dixie Chick is very well bred, standing very much in the type of her exceptional mother Zicke Feuermelder Imp Gmy, a multi Gold Medal winner. She had 2 very good quality daughters entered in the Junior class. She is a harmoniously constructed female with correct proportions and very good angulations. Her litter brother was also graded Excellent in the Open Stock Coat class. A high quality female, deserving of her title. *Kelinpark Rozata, a previous Siegerin, was second. Again a very high quality female, with 3 progeny shown in the minor classes, but the first female was more impressive with her free flowing gait. The third Excellent Merit was *Bodecka Mayhem, she was promoted into the this grading because of her lovely daughter in the Open Long Stock Coat class, she also had the sister entered in the Stock Coat class, but was scratched on the day as she was out of coat. With 2 quality daughters, she was recognised for her breed worth as a dam.

Open Stock Coat Male class with 5 entries and 2 scratched, 1 of the scratching, was a token entry for the event, with no paperwork submitted. The owner wanted to support the event. 3 of the 5 entries were imported males. The winner, was the most recent import *Pupi von Neu Garamond Imp Hun, a just above medium sized, very harmoniously constructed black dog, with free flowing movement. His sire's dam is also Wulkano-Uno von Schnitzerteam's dam. He stands in similar type to Uno and has the same free flowing movement, both on and off lead. He has 1 litter confirmed in whelp in Australia at the time of the show. With no presented progeny, no Excellent Merit was awarded, therefore no title of Sieger was awarded. In the future, with progeny, this dog of much quality will, I am sure, be elevated into the Excellent Merit category.

General comments about the event.

Virtues: Overall very good size, only 2 animals measured 61/66. Characters were very good, all opens were very good with the gun test. Pigmentation overall very good. The majority of animals were standing correct in front. Overall very good movement. Head strength overall very good and in general eye colour. Most animals had good to very good height to depth ratios.

Faults: The biggest issue was over angulation of the hindquarters, particularly in the young classes, resulting in some cases, very loose hocks. It was quite prevalent in the baby classes. 16 animals were critiqued with slightly deep hindquarters and 1 as deep. Care needs to be exercised in this area. The forequarters were mixed, the issue of a steep lay of shoulder was present and steep upper arm. Croups were generally short. The elbows and hocks could be tighter in general.

The winners of classes that were promoted, where able, did not present these faults. The two major sires were Uno having 13 progeny presented with 7 class winners and Chili with 8 shown and 4 class winners. Both of these males are sired by Ulkan Maikhus. No other sire had more than 1 class winner.

The class without a clear winner coming into the ring was the Junior Stock Coat Female class. Only 2 in the class, but both very high quality and was a pleasure to judge. Interestingly, they were Uno and Chili daughters.

SIRES PROGENY:

Sires progeny critique of Chili della Valcuvia by Ian Urie (NBC Chair) 2023 SBE

CHILI DELLA VALCUVIA 'A' NORMAL, ED NORMAL (IMP UK)

Sire: Ulkan von Maikhus Dam: Ora della Valcuvia

Linebreeding: Furbo Degli Achei (3-4,4), Vegas du Haut Mansard (4-3), Quenn Loher Weg (4,4-5,5)

Progeny registered – 356, with 13 entered at show from 8 Dams

HD/ED results – 53 A & Z stamps with a mean hip score of 6.8 and 98% normal elbows to date.

Breed Surveyed progeny – 16 (statistics as per database @ Dec 2022)

This is the third group presented by Chili at the Victorian SBE, and whilst it was again a very good quality group, was maybe not quite as outstanding as the previous year, due to the absence of several high profile exhibitors who could not exhibit due to links with the judge. Because Robyn is a part owner of this sire, I was asked to comment on this group as NBC Chair. Progeny ranged from Minor Puppies up to Open class, and included 5 class winners. Chili's progeny are very typical of their sire and generally of very high quality. Size is medium to above medium with good strength, colour and pigmentation, and very good proportions. They generally have well formed heads with good strength of upper and lower jaws, well angled necks, high withers and firm backs, with well laid croups which in some cases could be longer. Very good forehands, where some upper arms could be slightly longer, and very good to slightly deep hindquarter angulation. They show very good ground coverage with powerful drive.

Chili is a predictable and influential sire, of correct just above medium size, with the majority of his progeny being of well above average type and quality. He has produced very good hip and elbow results. He was the 2022 Victorian State Sieger (not exhibited this year) and has been used widely in most States with pleasing results.

WULKANO-UNO VON SCHNITZERTEAM (Imp Hun). (By Robyn Knuckey – Judge)

Sire: *Ulkan von Maikhus 'a' ED (Gmy). Dam: Ixy van Contra 'a' (ED)

Linebreeding: Vegas Haut Mansards (4-3). Odin Niederforstback (5-4)

Progeny Registered: 360.

HE/ED Results –14 A/Z. Mean 7.8. 100% Normal ED.

Breed Surveyed Progeny: 6 Surveyed. 15 Entered from 11 Dams.

Sire not present. A very good quality group. 12 present from 15 entered in the show. With representation from Baby to Open with 7 class winners. Size is above medium to large. Strength in general is medium strong, with

overall very good proportions. Good heads with medium to dark eyes. Overall very good angulations, some hindquarters are slightly deep. Croups in general are a good angle, but could be longer. Some under chests could be a little longer. Length of foreleg is good. Producing very good character with a willingness to run with balanced sequence of steps and free flowing movement. This is Uno's second group presented in Victoria. He was Vice Sieger at the 2022 SBE. Congratulations to the owners of Uno and the breeders and owners of the animals presented today.
