Judge's Summation

I would like to thank my amazing stenographer, Barbara Blythe. I would also like to thank Glen Moore, my steward whose assistance I greatly appreciated. Spare a thought for the Show Committee and hardworking crew who pull these events together and of course the exhibitors. Thank you all.

I will start by saying it is very difficult to give decisive comments and recommendations regarding bloodlines at an event that is limited in numbers and also limited in the majority of cases to animals from one state.

The SBE is really an opportunity to highlight valuable bloodlines and detail the producing pros and cons of sires and dams. Unfortunately, only 3 Open males were presented with only one being graded Excellent on the day; *Bronboreo Short Macchiato, a son of Wulkano-Uno Von Schnitzerteam and Bronboreo Platinum who is a daughter of Mercieca Avon Valley, a Sirio Von Rauhtal son. Macchiato is only just in the Open class but at this stage shows a lot of promise. He is very typical of his breeding, masculine and unexaggerated with a very confident, outgoing temperament. I hope he is given the opportunity to prove his worth at stud.

The LSC Open Bitch class saw 4 entered and exhibited including the mother/daughter combination of Stobar Elouise and Cazeli Anastasia. All worthy Excellents.

The highlight of this event was the SC Open Bitch Class with 18 entered and 15 exhibited with 12 excellent and 3 graded Excellent Merit. It was an excellent class. When judging this event I tried to take into consideration progeny, breeding, quality of the individual and the performance on the day. Needless to say it wasn't easy. Alisha Team Tomahavk, Bluemax Salted Peanut and Kelinpark Rozata were worthy of Excellent Merit: high quality females in excellent condition, performing flawlessly on the day and presenting some quality progeny. Several females had young progeny and I look forward to seeing how these youngsters develop. Of note were several female lines that stood out for me - 3 quality open daughters entered with 2 exhibited out of Jayshell Kenzie. Kenzie was graded Excellent Merit twice and is sired by Excellent Select Bluemax Salt out of the 3 times Excellent Select Jayshell Winona. Also noticeably represented was the progeny of Ica von Der Zenteiche (Imp Deu) with an open Excellent graded Allinka Wikki, first Intermediate SC bitch Freinhauf Vica, first Intermediate LSC bitch Freinhauf Vendetta. Bodecka Mayhem has two quality daughters in OohLaLa and Out of control, both with youngsters yet to develop.

Some observations: I have over the last few years and obvious this weekend, noticed an increase in the number of animals lacking confidence. While a little latitude can be given in the younger classes, all animals from Junior up must be able to accept and behave during measuring, teeth check, gun test and individual assessment.

The narrowness and east west is endemic in the breed, particularly in the long coats. The pronounced angulation, loose hocks and lack of correct forequarter continue to be prevalent. As I said during the presentation I urge all enthusiasts and particularly breeders to familiarise yourselves with the standard, read also the extended standard, remind yourselves why this dog was bred. Remember the GSD is supposed to be a medium sized, dry, firm, unexaggerated working dog able to trot (not race) tirelessly around a flock of sheep all day as a mobile fence and guardian. Think about it.

Four groups were listed in the catalogue however three groups presented on the day:- *Jack Von Fenrir (Imp DUE), *Wulkano-Uno Von Schnitzerteam (Imp Hun) and * Child Della Valcuvia (Imp UK).

In accordance with the SBE regulations I invited my fellow Victorian Surveyors who were in attendance to join me for the Progeny parade. Alistair was involved in handling so couldn't take part. Ian attended.

I will not comment in great depth as I would expect more representative groups will be presented at the upcoming 50th GSDCA National in SA and I would encourage, in fact stress to all to make the effort to watch the Sires Progeny at the National.

The group of ***UK Champion Conbhairean Freddie (Imp UK)** wasn't presented as numbers dwindle with age. He still had 4 open bitches entered this weekend with 3 exhibited and all graded excellent. I just wanted to comment that Freddie's impact on the breed has been duly noted over the years and sadly Freddie has now passed on. Congratulations to Freddie and his connections.

***Jack Von Fenrir (Imp Deu)**

Sire: Kampus Vom Drei Birkenzwinger Dam: Hilla Vom Drei Birkenzwinger

Linebreeding: Vegas Haut Mansard (5-3) "M" litter Osterberger-Land Mentos (3-), Micky (-4)

A very small group was presented from Minor, Puppy and Junior. The group were to some degree sire typical. They were above medium size to large, well coloured and of generally good proportions. The hocks tended to be a little close and the view from the front not quite correct. As this sample was only small and at this stage still quite young any definitive comments would be a little premature. As I said a more representative group should be seen at the upcoming National.

***Wulkano-Uno von Schnitzerteam (Imp Hun)**

Sire: Ulkan v. Maikhus Dam: Ixy v. Contra

Linebreeding: Vegas Haut Mansard (4-3), Odin Niederforstbach (5-4)

Wulkano (Uno) has already presented a larger, more representative group at the 2023 National which has been reported and as I have already suggested will do so again at the upcoming 2024 National in Adelaide.

Uno is a correct medium sized male who gained the Silver Medal at the 2023 National. He has been awarded the Sieger title and graded Excellent Merit.

He is now retired from the ring at 6 ½ years of age. Excellent hip and elbow results.

This group confirms the comments already made. Generally sire typical with excellent Hip and Elbow results, good strength, good heads, generally well coloured with balanced, ground-covering movement and some restrictions in the forehand and firmness of hocks. He presented an excellent graded, very impressive, sire typical son in the Open Male SC Class this weekend.

***Chili Della Valcuvia (Imp UK)**

Sire: Ulkan v. Maikhus Dam: Ora della Valcuvia

Linebreeding: Furbo degli Achei (3-4,4), Vegas Haut Mansard (4-3) Quenn Loher Weg (4,4-5,5)

Victorian Sieger 2022 and Silver medalist at the 2022 National.

Chili will present his 3rd Progeny group at the upcoming National, so again it will be a far more representative group. Having said that there is no doubt that this dog has made a lasting contribution to the breed here in Australia and he has proved to be a very predictable sire. Generally, above medium size, well coloured and pigmented, slightly stretched proportions with slightly deep hind angulation and generally very lively outgoing character. He had 5 excellent graded Open bitches at this SBE.
