JUDGES REPORT

It has been a great pleasure for me to be able to judge at the year 2005 State Breed Exhibition of the GSDCV, on Saturday the 14th of May, and I thank the Committee and members for the invitation and the opportunity to see so many of these lovely animals before me.

From my moment of arrival in Victoria, when I was met by the Council and Club Secretary, Mrs. Val Moody, to the final dinner, I was well looked after by the President of the Club Frank Moody, the President of Council, Mr. Vince Tantaró, your Show Manager Mr. Ian Urie. Meeting Committee Members and many old friends throughout the day of judging, was a joy, and time to chat was all too short.

The total entry for the show was 112, the show was expertly organised, and everything ran smoothly. The classes were judged without pedigree input and critiqued from junior upwards.

My summation of the classes is as follows:

BPD: 7 entered, all exhibited. 4 sires, 6 dams. Overall very good type. All VP
Class winner by Unox Aducht. The dam brings lines to Iwan, Awol, Vagrant and Majic Melody.

MPD: 7 entered, 2 exhibited. 2 Sires and dams. Very good typey youngsters, both VP.
Class winner by Lafer von Batu. The dam comes from Stobar Benny, Wildknight, Arko Hühnegrab

PD: 5 entered, 4 exhibited: 4 sires and 4 dams. Very good masculinity and type. All VP.
The Class winner is from Eisenland Fernando, (Uno Urbecke) out of an Iniff Vagrant daughter.

Junior Dogs: 2 entered, 1 exhibited. Above medium size, good strength and masculinity. VG
By Jasso Bimsgrube from an Iwan daughter – lines to Bedwins Siegáro.

Intermediate Dogs: 3 entered, sires, 3 dams. VG size, strength and masculinity, all graded VG
Class winner by Stobar Pete (Stobar Benny) From a Key Wienerau daughter carrying Cassius Klay. Pleasing to see that both, the winner and 3rd placed dogs already have their A and Z stamps and are both breed surveyed.

Open Dogs: 13 entered 10 shown. 9 sires, 10 dams. All are Breed Surveyed. Size: 2 very large, 50% above medium size, 30% correct medium size, most strong, some medium strong of very good substance. Type ranged from Excellent to Very Good. All with very good heads and expression, predominately well formed broad skulls and foreface. Just over half had good brown eyes, with four medium, and in three dogs the nose pigmentation should have been blacker. There was a noticeable firmness of back and ligamentation, predominately very good angulations of the fore and hindquarter where some could have been better angled. The croups in the main were good, although in half the class the croups could just be a tick longer, and one I found to be just slightly steep. Toplines in this class were very good and not faulted, with the nick behind the withers, being a statement and not a criticism of the dogs concerned. There are a few short in underchest.

In this very impressive Open Dog Class of Excellent quality, I found overall correct fronts, with only one not quite correct. The majority showed powerful movement with very good reach and drive. Gradings: 9 x Excellent, 1 VG.

My winner by Stobar Pete, had a lovely daughter in PB class. Bronacre Eliminator's dam carries Wild Knight, Monte Cito, Lovely Lady and also through Hagenstolz lines, Landrina Magic Melody.

I have also included a chart for the Sires and Progeny, giving the placings attained by the offspring, and also giving their dams and bloodline connections for comparison and interest. Ditto for dams.

BB class: 15 entered, 13 exhibited from 8 sires and 11 dams. A lovely quality class, 10 VP, 3P The winner is by CH Astasia Heiko from an Iwan daughter going back to Bedwins' Siegfried.

MB: 16 entered, 14 exhibited from 11 sires and 12 dams. A class of high quality bitches. All VP My winner: by Ravdansen's Orvar out of a Djenuen Muddy Waters daughter (Iwan) to Vagrant line

PB: 11 entered & shown, from 9 sires and 9 dams. A beautiful bitch class, typey, and all VP The winner, sired by Eisenland Fernando is the litter sister to the Junior Dog. Lovely type.

Junior Bitches: 13 entered, 11 exhibited from 9 sires and 11 dams. A very beautiful class. Size ranged from 1 very large, to 2 large, 5 above medium size, 2 medium and 1 below medium size. All of good strength, 7 medium strong, well proportioned, of very good type and with very good heads and expression. Most with a good medium brown eye, if not dark eyed. The majority has high withers, one a slight nick behind, all had firm backs, and the majority of the class has good croups with some slightly steep and just a few that could be a little longer. Forequarters overall were very good where a few upper arms should be better angled, and all bitches have very good hindquarter angulation. Fronts were correct, all except one stepping correct going, one with hocks loose and a little cow hocked, three with elbows still to firm, all stepping correct coming. The class was critiqued with most of these lovely youngsters exhibiting very good powerful movement with only two where I noted that the reach showed some restriction. Right throughout the class, we saw balance and quality with very good femininity. It was my pleasure to grade ALL VG

My winner, is by Rupos v d Ostfriesichen Thingstätte and is out of Troy Noriswand daughter.

Intermediate Bitches: 4 entered and shown from 3 sires and 4 dams. All from Breed Surveyed stock. A small class of much quality. One medium, the other three above medium size, medium strong, well proportioned bitches of very good type with very good heads and expression. Eyes were good, dark to medium. High withers predominated, one showed a slight nick behind, all had firm straight backs, and good croups, where one could be a little longer, and one was found to be just slightly steep. One both, slightly short and slightly steep. All correct in front, one stepped a little wide going, all stepping correct coming, nearly all exhibiting very good reach and drive with just one being a little restricted on both reach and drive. Overall a very lovely class of bitches, all graded VG. The winner is already surveyed and the 2nd placed bitch, already has her A and Z stamps. The winner by Dellaress Armageddon (Prince Rowdy-Iwan) is closely bred. All VG.

Open Bitches : 16 entered, 13 exhibited from 11 sires and 12 dams. All surveyed and from surveyed parents. Size: just over 50% are large, 38% above medium size, one bitch medium size. All of good strength ranging from strong to medium, of very good to excellent type, of good substance and proportions. Over all I found very good well shaped feminine heads and expression, the majority with dark eyes, some medium brown, and a little more masking desired in a couple of bitches. Withers high in 70% and level in 30 % of the animals presented. Very good forequarters predominated with 45% where the upper arm could be a little better angled, most with very good hindquarter angulation. There were no incorrect fronts, all stepped correct

going and coming with just one stepping a little wide. Of this class, 77% exhibited sound movement with very good reach and drive, with a couple showing slight restriction in reach and or drive. Gradings: 11Exc., 2 VG

My winner is by Iwan vom Lechtal out of a Hagenstolz Joni Be Good (Monte Cito) daughter going back to Landrina Majic Melody and the other line to Jasso vd Roten Matter.

This concludes my report. Again I wish to thank all exhibitors for their entries and their good sportsmanship. I have enjoyed these classes tremendously, had the good fortune to be supported by excellent stewards and Gillian Cafari as typist, and wish all exhibitors and their dogs, the very best for the National, the Main Breed Show and the Future!

Steps a little wide going but with firm hocks, steps correct coming. During movement displays a prancing almost hackneyed gait even when settled. Good hindquarter drive.
