Indoor Medallion Open Obedience Trial

KCC Park Lyndhurst

13 October 2000

The GSDCV Open Obedience Trial is our only night trial starting at 7PM on a Friday night! Strange time you might say but many competitors think it is novel to hold a trial indoors at the 'aircraft' pavilion at KCC Park! We started the night trial a few years ago as some handlers think they perform better at night – and in any case it keeps the weekend free for other activities. On this occasion we were pleased to have in attendance the President David Hynd, and the Vice President Phil Vincent to see how a night trial falls together!

Judges and stewards were welcomed early with an incredible meal light prepared by Marilyn – a country soup full of Ballarat's best veggies, roast beef, salads and deserts – and of course there was sandwiches and more food available for the competitors after the trial had finished.

The trial commenced at 7PM under the aircraft hangar lights and we had a good mix of breeds entered. The trial committee and helpers were:

Trial Committee: Jane Morrey, Marilyn Wrigley, Alex Dordevic VCA Representative: Dawn Howard

First Aid Officer: Ann Sciveras

Judges: Frank Valastro, N McIlroy, Frank Neeson, Margaret Deakes, Clive Makepeace, Neville Kay, M Ashman

Stewards: Stephen Gunst, Kaye Whitehouse, J Tahourdin, Pam Makepeace, Sue Speers, Ivan Hipworth, Willie Lucas

Helpers: Rosie Garbett, Willie Lucas, Ros Walton, Bev Allen

and all the people who assisted with setup and pull down!

The Results!!

I will report results to the first three placings, unless there are less than three competitors in the class. I have also decided to list non qualifiers where they have gained a place in the first three.

Novice One - Judge: Mr F Valastro (S Gunst)

GSDCV Open Obedience Trial – 9 July 2000

The Obedience Training Committee is proud to present the results of the GSDCV Open Obedience Trial held at Eastern Branch on Sunday 9th July. The trial attracted 134 entries from across the State to compete in an encouragement class, three novice classes, three open classes and three utility classes!

Open Obedience Trials are those trials where any dog registered with a State Kennel association may compete – so this means that not only German Shepherds may enter, but any other breed of dog (purebred or not) so long as it complies with all other entry requirements. This sort of trial gives our club a chance to showcase our club to the VCA trialing fraternity!

The weather decided to be kind to us, despite a forecast of hail and rain, only sun graced the grounds at Eastern branch. The ground itself remained firm underfoot for a winter ground and far better than the fun day some 2 years ago!

The trialing crew were:

Trial Committee: Marilyn Wrigley, Alex Dordevic, Jane Morrey, Sharon Bacon, Len and Raelene Stevens

Judges: Mrs A Safianski, Mr M Klecka, Mr C Gibson, Mrs B Cowling, Mr F Valastro, Mr G Parsons, Mrs L Klecka, Mr C Makepeace, Mrs M Deakes, Mr N Kay

Stewards: David Owen, Ann Geddes, Ann Franklin, Peter Wallbridge, Brian Miller, Lyn Pickering, Ivan Hipworth, Mary Bell, Sue Speers, Paul Scott, Julia Tahourdin

VCA Rep: Mrs A Sciberras

First Aid: Chris and Arthur Hems

Vetting: Betty Beasley

And the Committee and members of Eastern Branch of course!

The results to the first three placings are:

Encouragement: Mrs A Safianski

1st – Helen Lawson’s GSD *Monteagle Heart Breaker* – 125 points

2nd – J

3rd - N Harris' Boxer *Taratan Jestic Princess* – 158 points NQ

Due to the efforts of all the judges, we were pleased that the trial finished by 3:30, allowing competitors to enjoy the remainder of the day reminiscing about their successes and their failures!

The Obedience Training Committee thanks all judges, stewards and other helpers for making this open trial such an outstanding success. We also thank Eastern Branch for hosting the trial and assisting with ring set up and pull down.

State Breed Exhibition and Restricted Trial
KCC Park Lyndhurst
20 May 2000

The GSDCV annual SBE and Restricted Trial is often seen as one of the showcases for our breed and in the obedience area it is certainly one of the highlights for the year. It was unfortunate that other events at KCC Park that day forced us to set up the obedience rings in a less than ideal area, however you 'live'n'learn' and we intend to ensure that we have sole use of the venue for future SBE's and Restricted Trials.

Winter came on with a vengeance on the Saturday morning, with our trialers and judges faced with gale force winds and driving rain. Val Bonney, our guest judge from Queensland was particularly impressed by the special effort we had made with the weatherman, as she had dressed in light clothes for the day! The first day ever she had judged in the rain we hear her say! Well I don't know about that, all the times I have been in Queensland rain was always a part of the holiday!

The trial commenced at 9AM and despite the weather concluded just after lunch. The trial committee and helpers were:

Trial Committee: Jane Morrey, Marilyn Wrigley, Alex Dordevic, Sharon Bacon

VCA Representative: Dawn Howard

First Aid Officer: Mandy Scrivens

Judges: Val Bonney, Neville Kay, Alan Adams

Stewards: Sue Speers, Mary Bell, Ken McKay, Alan Walker, Mary O'Sullivan

Helpers: General thanks to the many people who assisted with ring setup and pull down!

The Results!!

I will report results to the first three placings, unless there are less than three competitors in the class. I have also decided to list non qualifiers where they have gained a place in the first three.

70th Championship Show and Restricted Trial at KCC Park

11th March 2000

The weather bureau reckons they're 85% accurate huh! Well they were 100% wrong on the Saturday morning of this trial - they predicted a cool day and it turned out to be so blisteringly hot that many of the competitors got sunburnt (OK OK only the dumb ones like me that didn't bring any protection!!)

The trial commenced at 9AM and ran very smoothly thanks to the efficiency of our trial manager Jane Morrey and the trial team. Our crew were:

Trial Committee: Jane Morrey, Marilyn Wrigley, Alex Dordevic

VCA Representative: Dawn Howard

First Aid Officer: Mandy Scrivens

Judges: Honey Gross-Richardson, Lyn Klecka, Anne Safianski

Stewards: Mary O'Sullivan, Ken McKay, Sue Speers, Mary Bell, Alan Smith, Cheryl Walker, Jane Morrey

Helpers: General thanks to the many people who assisted with ring setup and pull down!

We held presentations at the ring 'show style', with the first five place getters standing next to a pole and being critiqued by the judge on their performance. This is valuable to both the spectators and the competitors, who get more of an insight into the judge's scoring. We thank Lyn and Honey for their commentary - as you will see later in this edition, Honey has kindly presented a critique of the competitors in her ring for us to enjoy!

The Results!!

I will report results to the first three placings, unless there are less than three competitors in the class. I have also decided to list non qualifiers where they have gained a place in the first three.

Obedience Critique for the German Shepherd Dog Club of SA Inc.

Saturday June 9th 2001
Judge: Keith Millington

Overview.

Thank you to the German Shepherd Dog Club of SA Inc. for inviting me to judge the obedience today. Heavy rain on previous days had ensured a fresh clean ring and the good drainage had cleared any excess water, leaving the grounds in excellent condition for the trial.

The Utility class was of a very high standard with two of the five dogs entered passing and one only failing a part of one exercise.

Open class was also of a very high standard in the individual exercises, but the group stays were disappointing with 2 dogs failing.

Novice class had the typical problems of new dogs that were easily distracted. While dogs were showing a good level of basic work, they were let down by losing attention and missing positions, due possibly to the activities, atmosphere and noise of the venue.

My stewards, John, Jeff and Josh kept the ring flowing smoothly, and I thank them for their assistance.

Utility Class

1st Place

163. OC.INIFF STREET CREDIT AD

Exhibitor J Wilmot,

Seek Back	Directed Jump		Scent Discrimination			Signal Exercise	Optional	Group Exam	Stay	Total
26	19	19	14	13	14	27	18	10	25	185

A very good working dog that displayed much enthusiasm for the work to the extent that the enthusiasm was causing minor deductions. The handler and dog work well as a team with obvious enjoyment from both sides.

2nd Place

164. CESTON BRIGITTA UD

Exhibitor GW Baker

Seek Back	Directed Jump		Scent Discrimination			Signal Exercise	Optional	Group Exam	Stay	Total
2826	19	18	9	12	10	25	18	10	25	174

Good basic work but was slow in some exercises and displayed a lack of confidence at times. The usual handler for this dog was unable to compete, but the handler of the day and dog did work well together.

Non Qualifying

160 SATAN CDX AD ET

Exhibitor M Lloyd

Seek Back	Directed Jump	Scent Discrimination	Signal Exercise	Optional	Group Exam	Stay	Total
25	Withdrawn by Handler						

The dog displayed a keen disposition and had a good nose for the Seek Back, but was withdrawn after failing the Directed Jumping.

161. ALIMANDA LAST LEGEND AZ CDX

Exhibitor M&R Parkinson

Seek Back	Directed Jump		Scent Discrimination			Signal Exercise	Optional	Group Exam	Stay	Total
26	0	0	9	Withdrawn by Handler						

Performed the Seek Back confidently but did not go to the box in the Directed Jumping. The Handler withdrew after the dog was slow in retrieving the first of the scent discrimination articles.

162 OC. SIEGSTAR KING KIEREN AZ

Exhibitor R English

Seek Back	Directed Jump		Scent Discrimination			Signal Exercise	Optional	Group Exam	Stay	Total
28	0	19	14	13	13	28	19	Withdrawn by Handler		

A very keen working dog that was handled very well. This dog knocked off the bar in the Directed Jump exercise thus spoiling what would have been a very good performance.

Open Class

1st Place

166 INIFF EXCALIBUR CDX

Exhibitor J Wlimot

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
21	20	29	20	27	19	25	25	

Overall performance was of a very high standard but was spoiled with two lapses that incurred a significant loss of points. Teamwork was high with both dog and handler displaying pleasure in being in the ring.

2nd Place

167 AMBALA CHEVIOT CD

Exhibitor G De Ridder

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
26	20	27	18	25	18	25	25	

Good working dog that has the potential to achieve very high scores if the dog can maintain full attention to the handler. The distractions from the other activities clearly affected this dog, despite the efforts of the handler.

3rd Place

165 ADELORA ORION CD

Exhibitor P&A O'Grady

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
25	20	24	17	24	17	25	25	

Good basic work from the dog showing the dog has a good understanding of what he is required to do. However, the dog was not as brisk as he could be and consequently lost points.

Non Qualifying

168 SIEGSTAR KING KIEREN AZ

Exhibitor R English

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
28	20	29	19	28	18	25	0	

In the individual exercises, this dog and handler performed excellently with only minor positional points being lost. There was a very high level of teamwork displayed and was by far the best individual performance of the day. I was very disappointed when the dog momentarily lifted and took its weight on its back feet during the Down Stay.

169 ALDAHOVEN MAGENTA AZ CD

Exhibitor A Rumble

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
24	20	28	18	0	17	25	25	

Another dog with a very high potential but fell to the distractions of the day. An enthusiastic worker that clearly knew her stuff and was handled well. Unfortunately, the distractions from activities outside the ring were affecting the precision of the work and were a major contributor to the dog misjudging the high jump in the Retrieve Dumbell over Obstacle exercise.

164 CESTON BRIGITTA UD

Exhibitor GW Baker

Heel Free	Stand for exam	Drop on Recall	Retrieve on the Flat	Retrieve over Obstacle	Broad Jump	3 min Sit Stay	5 min Down stay	Total
20	20	25	12	26	17	0	Withdrawn by Handler	

This dog qualified in the individual exercises at a minimum level as the work quality was not as brisk or enthusiastic as it could be. Having qualified in Utility earlier and not having the usual handler for competition may have contributed to this result, but it became a moot point when the dog lay down in the Sit Stay.

Novice Class

1st Place

176 SHEPOSE GAY GAMBIER

Exhibitor PK Baturin

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
21	19	30	20	27	30	30	

A Novice dog with a Novice handler that managed to get their act together. Nerves were a significant factor for this team but were under control by the end of the test. Bad habits from the handler were not helping, but a good recall salvaged a respectable score.

2nd Place

170 RHOSYN RHETT

Exhibitor C Bamford

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
21	19	32	20	21	30	30	

This team showed a good level of work for most of the trial but missed positions took a severe toll on their points. Fixing this problem will put this dog and handler in the winners' circle on a regular basis.

Non Qualifiers

171 ROVENE MOKS TODAN

K Banister

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
18	18	29	20	0	30	30	

The distractions of the day, the nerves of the handler, and an inattentive dog combined to spoil the day for this team. There were a several times when their true potential was shown, but when dog did not come on the recall, it was all over. Next trial will be much better because of the experience from this one.

172 SAMPSON

Exhibitor K Burke

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
22	19	5	19	26	30	30	

The exercises started well but the dog could not maintain concentration through the Heel Free. When working, the team looked good but they need to be able to keep it up for the full exercise.

174 RHOSYN JOSEPH

Exhibitor C Backman

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
26	20	33	19	26	0	0	

Good work throughout the individual exercises with a few positional problems. However, the stays were not achieved. A team with a lot of potential, if the stays are fixed.

175 OBICAN ALLEGIANCE

Exhibitor N McClare

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
10	19	5	Withdrawn by Handler				

Unfortunately this dog never really got down to work and appeared overwhelmed by the excitement of the day. There were only a few moments when the dog and handler worked together which indicated that there is something there, but overall it was not a good day.

177 VONPETA NADINE AZ

Exhibitor W&J O'Loughlin

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
25	20	5	19	26	Withdrawn by Handler		

Overall this team worked well together. The major problems came on the Heel Free exercise when the dog missed too many positions. This team will be very competitive once this problem is fixed.

178 REGALSHEP GENEVIEVE

Exhibitor D Mitchell

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
24	19	29	20	26	0	30	

This dog has typical problems of the novice dog. The basic underlying work is good, but the whole effect is spoiled by inattention and missed positions. Good potential for the future, provided the attention problem is fixed.

179 ARRISTAR ECHO BEACH AZ

Exhibitor J Urie

Heel On Lead	Stand for Exam	Heel Free	Stand Stay	Recall	1 Min Sit Stay	3 Min Down Stay	Total
27	20	32	16	10	30	30	

A very good working dog that was well handled. The team showed a high level of teamwork throughout the individual exercises until the Recall. A lapse in concentration by the dog resulted in two substantial deductions to produce a non-qualification in the last seconds of the last individual exercise, thereby snatching defeat from the jaws of victory!

Sunday June 10th 2001
Judge: Jan Brabham

It was a pleasure to judge the Obedience Trial at the 2001 German Shepherd Dog Club of SA Inc Restricted Trial. Unfortunately, I was not informed until the Monday night AFTER THE TRIAL that I was expected to give a written critique on every dog I judged. Had I known before the Trial commenced, I would have been only too happy to provide critiques, but trying to do this so long after the event would be unfair to exhibitors.

I felt the overall standard of the dogs in all classes was very good which is very encouraging for the breed and a reflection of the quality of instruction provided at our Breed Clubs. Despite the distractions, the dogs worked well and the overall improvement in the heeling exercises was quite marked from when I judged at this event in 1998. There were some extended and prolonged hand signals used by a few exhibitors - this must be carefully watched. The usual mishaps prevented several good dogs from gaining passes on the day but I was delighted to be able to award the Excellent grading to three dogs – one in each of the Utility, Open and Novice classes. These dogs performed at a particularly high level and it was pleasing to watch handler and dog work so well as a team in each case. Congratulations to the following Exhibitors and their dogs on gaining Excellent medallions:-

ADELAIDE CHAMPIONSHIP SHOW & RESTRICTED TRIAL

Obedience Critique for the German Shepherd Dog Club of SA Inc.

Saturday June 8th 2002

Judge: MR D RUMBLE

I would like to thank the GSDC of SA for the appointment to judge at this trial. To my two stewards, Alice and Christa, thank you and to the Trial Manager, Jeff Hartshorne who did a great job. I would also like to thank the people who worked collating the results and provided me with a superb marked catalogue at the days end. To the competitors, thank you for your entires and providing me with some very nice working German Shepherds.

UTILITY BITCH

Cat No. 150 OC, TC Bronzehund Delectable E.T. SCORE: 133 NQ

Commenced with a very good seek back exercise. Both send-away exercises excellent at a good speed. Non-qualified at the scent discrimination exercise by retrieving wrong articles, the metal being her favourite today! In the signal exercise, very good heelwork – dog unfortunately failed to down from the signal given at a distance. The dog in the glove retrieve exercise retrieved the correct glove. In the group exercises, full marks awarded.

Cat No. 151 OC Iniff Street Credit AD SCORE: 187 (1ST)

This dog's seek back was very good with only minor points lost due to mouthing. Both send-aways were excellent. In the scent discrimination exercise, dog performed very well in all parts. In the signal exercise, dog moved two feet at the final part. A very good speak on command exercise. Group exercises – full points awarded.

OPEN DOG

Cat No. 152 Iniff Excalbur CDX SCORE : 193 (1st)

Very good heelwork, full points for stand for examination. A brilliant drop on recall. The retrieve dumbbell exercises were both very good. Full points awarded for the broad jump. Sit/Down stays full marks.

Cat No. 153 Adelora Orion CDX ET SCORE: 155 NQ

In the heelwork lost points for working wide. Full points for the examination. Unfortunately this dog non-qualified by failing to drop on recall. Minor points lost in the retrieve exercises for crooked fronts, a slow finish/crooked finish. At the broad jump the dog jumped slightly crooked. Sit/Down stays full points given.

Cat No. 154 *Allinka Ultimatum A Z HNeg CD SCORE: 174 (2nd)

Most points lost in the heel free; dog occasionally going to wrong side of handler and occasional guidance by the handler in the figure 8.

Full marks for the stand for examination. A good drop in the recall and the flip finish executed correctly. A crooked front in the retrieve dumbbell on the flat, with 2 points lost. A re-throw was necessary with the retrieve over the obstacle incurring a minor deduction. With the broad jump, the dog jumped crooked, finished but failed to sit on the finish, given a substantial deduction.

Sit/Down stays both correct.

OPEN BITCH

Cat No. 155 OC, TC Bronzehund Delectable E.T. SCORE: 186 (1ST)

Some excellent heelwork and full points for the stand for examination. In the drop on recall, handler extended the “come signal” and dog finished crooked. In the retrieve on the flat exercise, only minor points lost, however, I would like to see more enthusiasm from the dog. The retrieve over the obstacle was good with only a crooked finish. In the broad jump, the dog did not jump quite straight, only minor points lost. Full points for sit/down stays.

NOVICE DOG

Cat No. 156 Taurorn Jazzman AZ CD ET SCORE: 180 (1ST)

Heel on lead – only minor points for occasionally bumping dog. Full points for the examination. In the heel free, again occasionally bumping and inattention from the dog before entering the figure 8. The stand stay received full marks. A very nice recall, however, substantial points had to be deducted for handler failing to leave distinct pause between the dogs name and the command to come. Solid stays – full points awarded.

Cat No. 157 Cougar SCORE: 120 NQ

This dog performed some steady heelwork, however, most points lost for missed positions. The dog broke position in the stand for examination and non-qualified. In the heel free, the dog lost considerable points for missed positions. The stand stay was fine. The dog performed the recall well, only receiving minor point deductions for a crooked front and finish.

Sit Stay - full points, but broke the down stay. .

NOVICE BITCH

Cat No. 158 *Vondoussa Bold Bitch AZ SCORE: 87 NQ

On lead, dog worked reasonably well, lost points for heeling wide in figure 8. Full marks for stand for examination. In the heel free, dog was behind in the heel position on occasions, missed a drop and lagged and cut the figure eight once but received a qualifying score. The stand stay, no problem. In the recall, the dog received a zero

score due to anticipating the handler's call.

The dog broke both the sit and down stays as the handler was returning to her.

Cat No. 160 Sagenhaft Sheer Majic AZ TD SCORE: 101 NQ

Heel on lead steady with points lost for missed positions and inattention. The examination received full points. In the heel free, this dog unfortunately missed all drops, lagged in the figure eight, then failed to accompany the handler around the figure at least twice.

The stand stay received full points. A very nice recall with minor points deducted for a crooked finish. Handler withdrew before stay exercises.

Cat No. 161 Rovene Gambler's Corah SCORE: 186 (1ST)

The handler in the heel on lead lost points for the dog through handler errors and the dog missed a drop. The dog moved 2 feet in the examination. The heel free was excellent. The stand stay given full marks. A very fast recall, fast finish with only 2 points lost for a crooked front. Stays – full points.

Cat No. 162 *Gretelheim Fanta AZ ET SCORE: 174 (2ND)

In the heel on lead, dog lost points for poor stands, missed positions. Handler needs to work on left turns and try and be less nervous. The examination was no problem. Off lead work was better and no problem with stand stay. With the recall, minor points lost by dog sitting too far away from handler in front, otherwise, good. Stays were fine.

Cat No. 163 Adelora Tennessee AZ SCORE: 147 NQ

In the heel on lead, handler lost points for bumping the dog on left turns, otherwise, a good performance. Stand for examination received full marks. In the heel free exercise, the dog stopped off the peg and failed to come up to the handler when given a further heel command. In the stand stay, the dog stopped again off the peg, was another attempt and then performed the principal feature. A good recall, jumped up in the finish and slightly crooked. Solid stays, full marks.

WINNER OF WINNERS, SATURDAY 8/6/2002 JUDGE MRS A RUMBLE

Cat No. 151 OC Iniff Street Credit AD(1st in Utility Bitch)

A good, steady performance by this bitch and good handling, only a slow down and moved feet in the stand stay.

Cat No. 152 Iniff Excalbur CDX(1st Open Dog)

Excellent heelwork, in the recall, dog failed to sit on lead up, otherwise very nice. A lovely example of teamwork between handler and dog.

Cat No. 155 OC, TC Bronzehund Delectable E.T.(1st Open Bitch)

Excellent heelwork, a good recall – although pace was brisk, I would have liked to see her come in a little faster. A very nice working bitch and good team who won my Winner of Winners – congratulations.

Cat No. 156 Taurorn Jazzman AZ CD ET

In the heelwork, dog got a little distracted and then missed a sit. A very good recall. A very willing young novice dog and relaxed handler who make a good team.

Cat No. 161 Rovene Gambler's Corah

Dog lagged on the first part of heelwork but finished off with a nice recall with only a

slightly crooked finish. Overall, this bitch worked very well, watching her handler. This young bitch appears at this stage to have a very promising future in obedience.

I congratulate all class winners; I was very impressed with your performances in the Winner of Winner's ring. It was very pleasing to see such good teamwork between dogs and handlers, and overall, work of an excellent standard.
