Note: It is handler responsibility to ensure correct equipment available for their dog and themselves before starting track. Handlers are expected to wear reflective vests and head lamps (for night tracks) as outlined in the ANKC Rules and Guidelines.

If tests become available *and* time permits, a ballot (if required) will be held for those who may wish to "track on" within the same title level.

The GSDCV reserves the right to start the trial earlier or add additional judges if entries warrant.

Note: To ensure all competitors know when their test is scheduled, the Trial Catalogue will be provided to GSDCV and Vicdog.com websites on Wednesday 12 September 2018 .

Please note: Track and Search Trials require many more helpers due to the numbers of diversion tracklayers, minglers and extra stewards which are required by the rules. We are hoping not to have to ballot, but we will be forced to if we do not have enough helpers. **We request that every competitor provides at least one helper or volunteers themselves for a day they are not tracking.** These helpers do not need to be experienced, as experienced people will direct them. Please do not nominate helpers on the day they are tracking themselves. **Please note the name of your helper on your entry form. Helpers who are available for two or more days are most useful.**
